iVitamin Evolution® combines innovative custom vitamin research with pharmaceutical-grade ingredients to produce a state-of-the-art multi-vitamin/multi-mineral supplement that's safe, effective, and affordable. iVitamin Evolution® is made in America with ingredients of the highest quality and purity, including amino acid chelated minerals which dramatically increase absorption, driving nutrients into the cells more efficiently. Each bottle contains 120 capsules; that's a two month supply!

So why settle for "drugstore shelf" vitamins when you can fortify your body with a targeted multi-vitamin/multi-mineral formula based on cutting-edge, custom vitamin research! The iVitamin Evolution® formula will be periodically updated and fine-tuned as new iVitamin Research emerges. In other words, the formula continues to evolve; hence the name EVOLUTION.
